**COVID-19 中的兒童在線安全：全球經驗與地區協作  
在線圓桌會議**

COVID-19 impacts on daily life becomes a new normal, changes are also applying to the domain of child online protection. Children and young people have more time connecting to the Internet to play and learn, it also leads to a higher chance for them to be exposed to risks. For the 2020 roundtable, we are grateful to have the chance of having guest from INHOPE sharing with us the global situation about child online protection during the pandemic, as well as the global collaboration in better safeguarding the younger generation. We would like to invite you to join us for this roundtable, and love to hear your observations, practices as well as experiences on the topic.

COVID-19 對日常生活的影響已成為一種新的常態，兒童在線保護的領域同時發生變化。兒童和青少年有更多的時間連接到互聯網玩樂和學習，這也導致他們有更多的機會接觸到風險。在 2020 年的圓桌會議上，我們很高興有機會邀請到來自 INHOPE 的嘉賓，與我們分享全球兒童網絡保護的現狀，以及國際間的合作計劃，希望更好地保護年輕一代。我們誠邀你參與圓桌的討論，並希望聽到您對這個話題的觀察，實踐和經驗。
